Frequently Asked Question

I won! How do I claim my cash prize?

Answer

When you win cash and/or merchandise, we will send you an email with instructions on how to claim your prize. In addition you will be able to access a list of all the prizes you have won under your "My Account" page upon logging into the game. Feel free to redeem these prizes by clicking on the prize that you wish to claim. In the case that any information is needed we will contact you immediately. When we receive all information that is needed we will ship your prize. You should expect this within 2-4 weeks.
